The Wyoming State Auxiliary invites you to donate and shop til' you drop at the 2nd Annual Bling Sale.

Are you looking to thin out those closets? Want your gown, suit, or jewelry to be loved all over again? Bring them to the Wyoming State Convention for our 2nd Annual Bling Sale!

The Wyoming State Auxiliary will be graciously accepting donations of gowns, jewelry, cuff links, ties, bowties, suits, and more. All proceeds from the sale will benefit the State Auxiliary General Fund.

Any items not purchased will be transported to the National Convention to help raise funds for the Eagle Village. If transportation isn't possible, they'll be donated to a local Cheyenne closet — ensuring every item finds a new home.

💎 Let's make someone else feel like a million bucks! 💎

Greetings to all Brothers,

The Wyoming State Convention 2026 is steadily approaching, and preparations are well underway. This event will provide a wonderful opportunity for fellowship, collaboration, and celebrating the strength and dedication of our Aerie across the state.

More information will be shared as details continue to come together. In the meantime, we encourage you to begin planning ahead and mark your calendars. Your participation and support are what make our conventions such a success, and we truly look forward to seeing each of you there.

I would also like to strongly encourage all Brothers to participate in the Ritual Competition. The Ritual is truly our backbone—it tells the story of our history, our values, our beliefs, and the expectations we hold for our members.

There are many opportunities to compete, and everyone is welcome to participate. If you do not currently have a team, I will gladly help put one together so that you are able to compete.

- **Sure-Shot Competition:** Write down the part you would like to recite, and we will build a team around your request.
- **Novice Team:** A great way to get your feet wet—you may read directly from the book while learning the Ritual and gaining confidence.
- **Shotgun Team:** Parts are drawn randomly, making this a fun and exciting way to showcase your talent.
- **B3-**any member in good standing can be on a team with 4 members but only 2 from the same Aerie. Please reach out to the ritual chairperson for more team options.

So come on, Brothers—we need your help! Let's come together, support one another, and compete for FUN while honoring the Ritual that unites us. Questions? Call John (307)899-1674.

Fraternally yours,

John Swanson, Aerie Ritual Chairperson
